Time passes
in many forms
yet always too quickly
the days become warmer
and already leaves
turn color

Children know nothing of
time. They play today
never thinking of tomorrow.
As they mature they become more
conscious of passing minutes.
The older they become the
more time can be seen
in their faces.

As soon as the sun penetrates
the morning fog, there
is not enough time
in the day.
The hours appear
to shorten until at
last, they're gone completely.

SUPERINTENDANT OF SCHOOLS

Dear Graduates,

You have grown in knowledge and understanding. You have perservered to the end. May you continue to be faithful in the things you do, doing what you ought and putting yourself into what you are doing, so that your future may be even more fruitful than has been your past.

Peace always,

Julian Adams Jr.

HEADMASTER

I imagine it was with mixed emotions that you began this your final year at Braintree High School. You undoubtedly looked foreward to it for so long - and now the end is here. For some it hasn't come soon enough, for others the pangs of finishing High School are felt. The school has with varying degree provided you with the basic tools of learning and knowledge, so that now you may assume your adult role in our society. There is no easy way to success. You will get from life only what you put in. Do not be satisfied with less than your best.

John W. LeRoy Jr.

HOUSEMASTER 1

In these troubled and trying times, it is always refreshing to see a group of young people attain a goal which spans a twelve year period. Good luck, Class of 1975!

H. Kenneth Rogers

HOUSEMASTER 2

I wish this years graduating class the best of everything, with the wisdom and ability to make good use of it. Time goes by swiftly and fortune smiles rarely so be ready.

Good luck,

John C. Hopkins

HOUSEMASTER 3

To the Class of 1975
A great class with some great students. It has been my pleasure to be your class advisor. To each and every student of the class of 1975, my best wishes for a happy and successful future.

John R. Bregoli

HOUSEMASTER 4

We find ourselves in times of great challenges which may require of us sacrifices we do not believe we can make. The great American nation is great because of past sacrifices. With this heritage, you could do nothing less. Go after it, maintain it,
Sincerely,

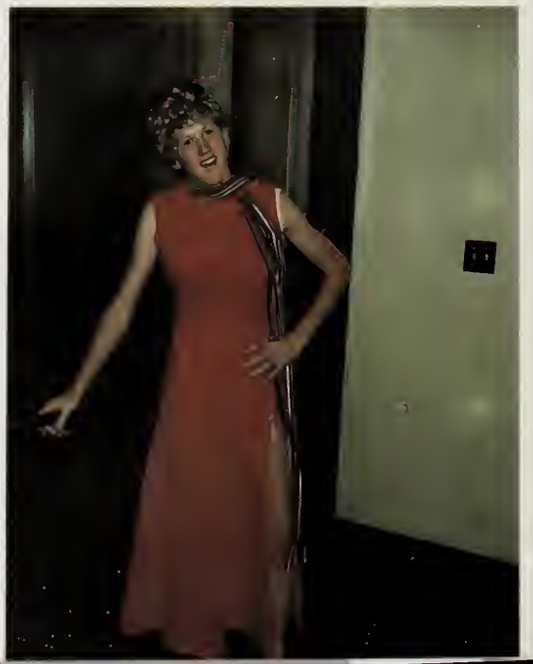

John Guttadauro

TIME CARES NOT WHO IT WALKS WITH. NEITHER ONE'S AMBITIONS NOR SHORTCOMINGS AFFECT IT. IT FOLLOWS EACH OF US, EVERYWHERE WE GO, WHATEVER WE DO OR PLAN. A CONSTANT SHADOW LURKING BENEATH THE HOURS. FOR SOME IT IS GENEROUS, FOR OTHERS..... NOT SO. WE LEARN TO LIVE WITH ITS PRESENCE AND TO PUSH IT AWAY TEMPORARILY. BUT ALWAYS IS THE REMINDER THAT OUR MINUTES ARE LIMITED TOO. TIME ISN'T THE TRUE VILLAIN WE CONSIDER IT TO BE. WHEN IT WALKS AWAY WITH THOSE WE LOVE, IT LEAVES BEHIND SOMETHING TO FILL THE EMPTINESS..... OUR MEMORIES.

MEMORIES LIVE ON WITHIN AND ABOUT ALL OF US. THEY CANNOT BE TAKEN AWAY FROM US, AND ONLY FADE AWAY IF WE LET THEM. MEMORIES ARE THE MOST LASTING OF ALL TRIBUTES WHICH WE MAY OFFER IN HONOR OF THOSE WE HAVE LOST.

THANK YOU
SUPER TEACHERS

Mr. Walter Kane and Mrs. Marjorie Brizzolara are two of the best and most dedicated teachers at Braintree High. Mr. Kane taught Math in the Braintree system for over 40 years and was the football coach and also the class advisor. Mrs. Brizzolara taught at Braintree for 21 years. She originally taught Distributive Education before becoming an English teacher. Both Mr. Kane and Mrs. Brizzolara were excellent teachers and many people are thankful that they had the opportunity of having them as friends and teachers.

The winner of the grand prize of $1000, and the Father Thomas Tierney Trophy for the most outstanding float in the Quincy Christmas Parade on Sunday, Dec. 1, 1974, was the Norfolk County-Newton Lung Association float, designed and constructed by the Braintree High School Environmental Design class, under the direction of their instructor, Theodore P. Ek.

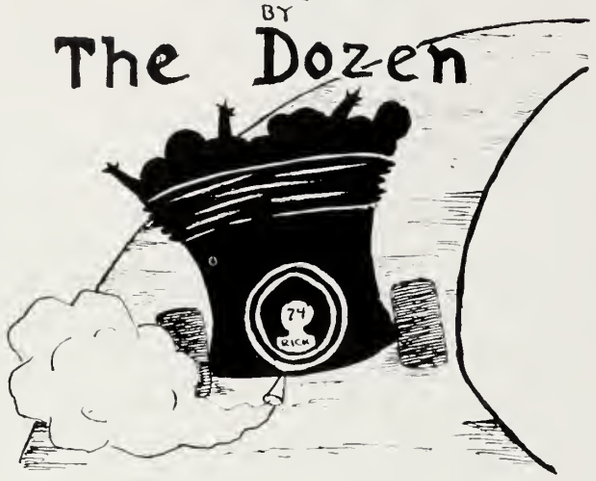

The float was more than 60 feet long and featured a 14 - foot high snowman which turned around, with his head also turning separately, made entirely out of Kleenex. The snowman was holding the traditional double - barred Christmas seal cross and wore a big yellow scarf with a bright red Christmas seal on it. There was a large paper mache seal on the front of the float, arranged in a mantle of Kleenex. On the back of the float were members of the BHS band, playing Christmas carols. Along the sides of the float were 29 three foot wide hand - painted scenes from 1974 Christmas seals. The cab of the truck was transformed into a train engine.

Including the pupils in the Environmental Design class, there were 15 people who combined efforts to create the grand - prize winning float.

The $1000 prize was given to the Norfolk County - Newton Lung Association for their continuing work in helping people.

Cheaper BY The Dozen

November 22, 23, 1974

This year's production, Cheaper by the Dozen, concerned the problems of a large family living in the 1920's. The many--childrened house provided comic scenes of family life.

The production gave the Drama Club a new theatrical experience; the construction of a realistic set. This artistic accomplishment achieved success under the direction of its designer and executor, Rick Walsh.

SOCCER

1974 was another strong year in Braintree High School's long life of winning soccer teams. Co-captains Peter Biggs and Tom Hanlon combined efforts to lead the team to a second - place finish in the Bay State League with 13 wins, 2 ties, and 1 loss. In the Bay State League tournament, the Wamps toppled Barnstable, only to fall victim to Newton North.

Coach Richard Carson is proud of his team's success and we commend him on a job well - done.

The BHS basketball team has come up against some pretty tough competitors so far this season. Each and every team in the Bay State League has its barrels loaded with veteran seniors who have been in the starting line-ups for two or three years. The Wamps go into the second half of their season with a 2-7 record. The wins have been over Fram. North and Wellesley, two strong opponents. Although he is not pleased with the record so far, Coach Crook feels that " the team is improving, they have not let up, and never quit. Once we learn to handle ourselves in tight situations with poise and confidence, we should do much better ! "

HOCKEY

The Varsity Ice Hockey team is having an excellent season this year. Tri - Captains Joe DiPasquale, Russ Colligan, and Jackie Harrington have shown outstanding ability throughout the season. Coached by Mr. Vafides, the team has already tied the school record for the most wins, 11, with 2 games remaining. Other seniors on the team are Jim Libertini and John Fisher, who are both hard working and agressive. Next year's team looks very promising because of the skilled underclassmen, Neil Herron, Bob Torney, Tom Libertini, Paul Bracken, Steve Rogers, and Jerry MacDonald.

WRESTLING

Coached by Mr. Richardi, the 1975 wrestling team finished third in the Bay State League, compiling an overall record of 11 wins and three losses. Mike Richardi's outstanding ability as captain inspired the team to success. Fine performances were also turned in by seniors Dan McGuiggan and Al Barese and juniors Colin Kilrain and Paul Rinaldi. The JV team was led by Mr. Carson to a 13 - 1 record, which is an indication of what next year's team will be like.

Outstanding performers were Ed Herrick on the side horse, Mark McKenney all around, Gary Sears on the rings, and Richard Smith on the high bar. Others who contributed to another successful season were Rich Ellis, David Lee, and Bob Martell. Promising sophomores are Bob Fulton and Paul Kormann who both played an important part in the team effort. Congratulations to a fine group of gymnasts.

GIRLS' GYMNASTICS

1975 was another great year for the BHS girls' gymnastics team who won their fourth Bay State League championship and scored a record breaking 97.15. Miss Marjory Smith was their excellent coach, leading them to win 35 consecutive meets. Naturally, with all this talent, the girls are the defending state champions. Seniors on the team are Carolee Anderson, MaryAnne Dooley, Diane Murphy, Joan Sullivan, and Denise Lindstedt. Mrs. Sandra Hoit and her JV squad also has their share of fine talent and will surely continue Braintree's record victories.

SKI CLUB

The Ski Club is the largest club in the school with an average of 180 to 200 students. The club elects officers who plan the various outings. Each day trip is planned so that the club will go to a different ski area. There is a weekend trip at the height of skiing season to a well- known ski area. There is a great deal of enthusiasm in the Ski Club.

Once a month the Hiking Club takes a trip, exploring trails in this area and when possible, further north into New Hampshire.

HIKING CLUB

FRENCH NATIONAL HONOR SOCIETY

The French National Honor Society is, as the name implies, a club whose membership is limited to students who excel in French and also do well in other academic subjects. The club endeavors to encourage more interest in the study of French through such activities as field trips to French restaurants, French films, and French- speaking cities such as Quebec.

FOREIGN LANGUAGE CLUB

FUTURE SECRETARIES

The purpose of the FSA is to bring to the student a better understanding of the business world as well as to develop a recognition of the importance of desirable work habits, attitudes and responsibilities. Through various speakers, field trips and actual short term office experience, the student becomes better acquainted with the profession. A scholarship fund is made available through monies raised during the year to be given to a deserving member selected by fellow members. A dinner culminates the activities of the year.

BRAINTREE SAVINGS BANK

WORKSHOP

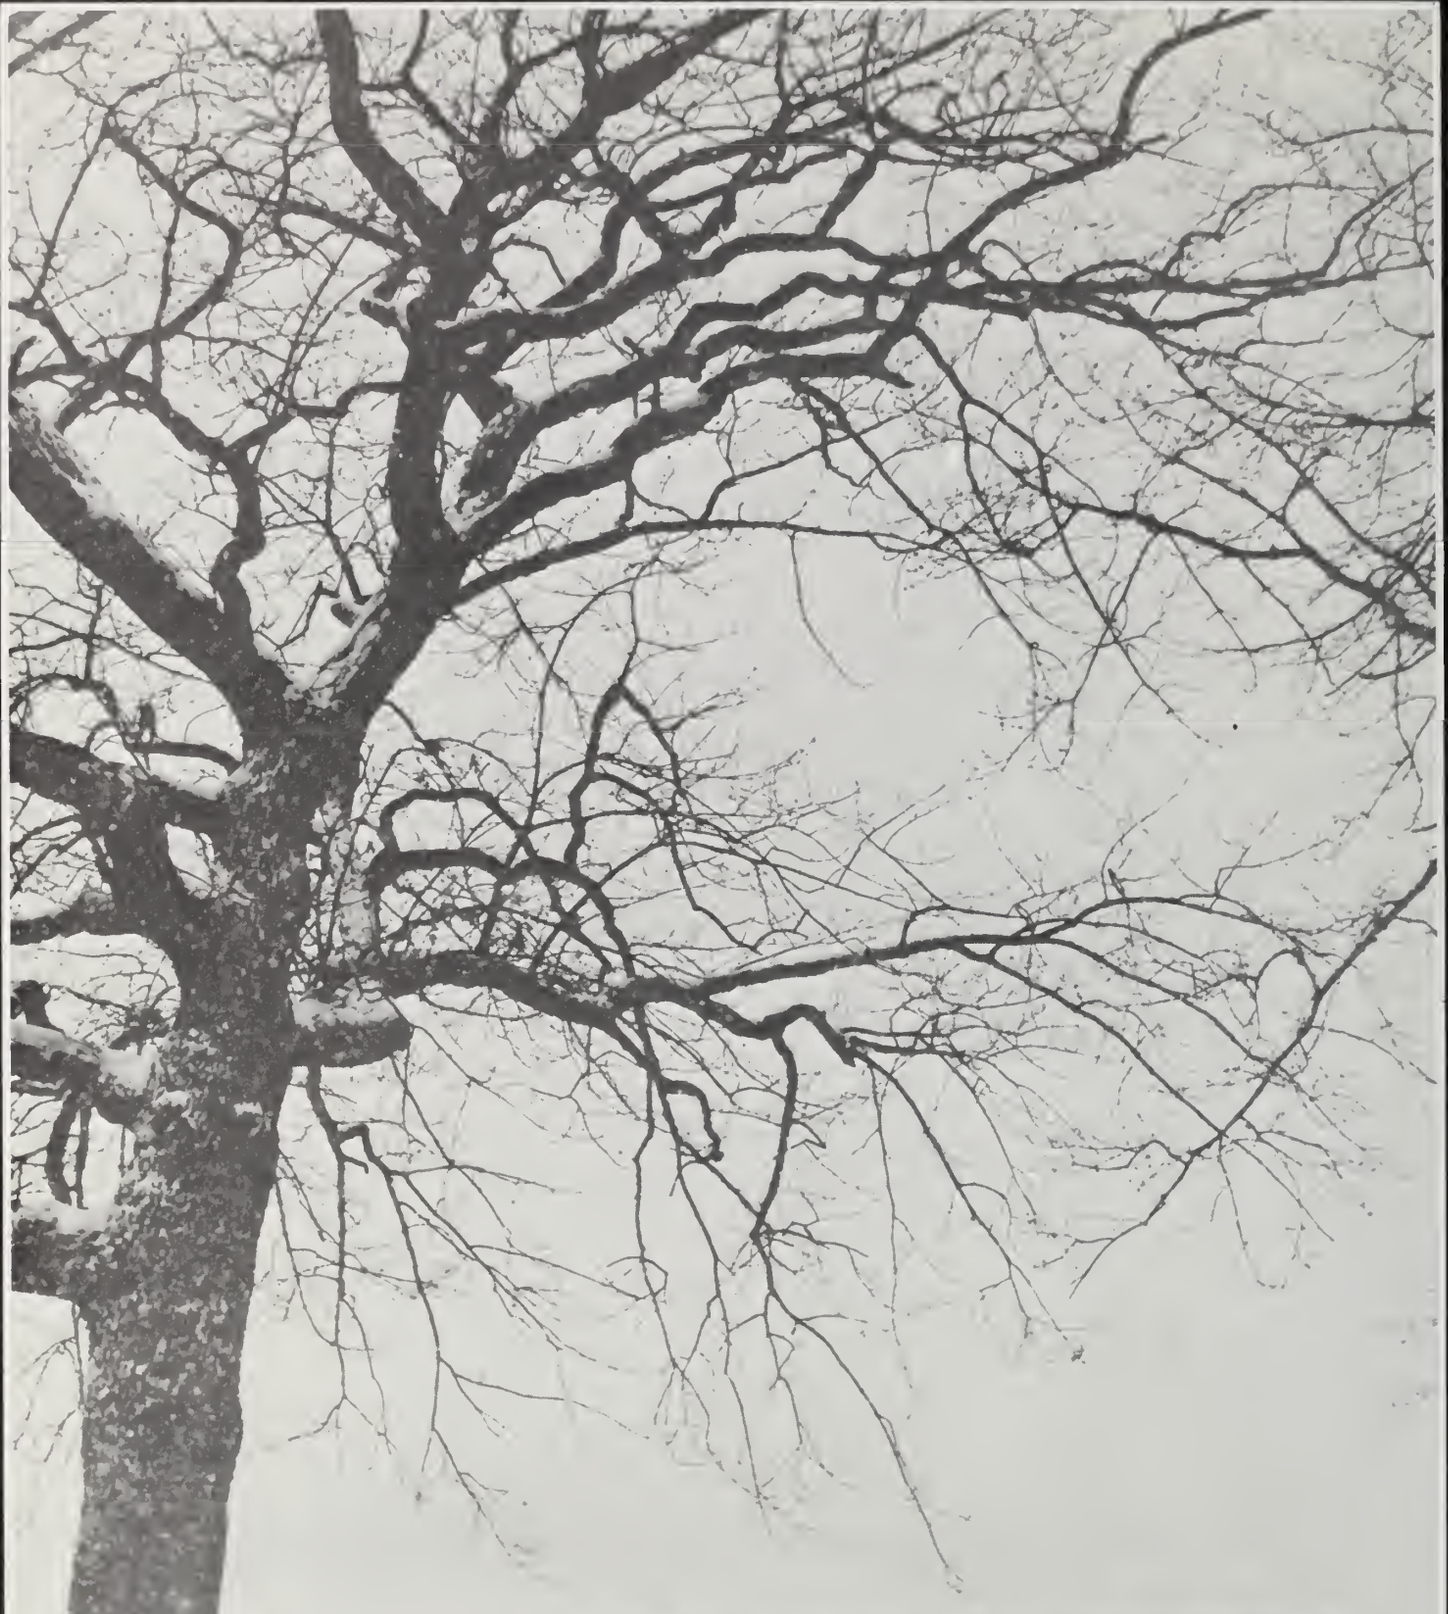

All good things end too quickly, or so we are led to believe. A new season hardly begins before the next one takes over. Morning is only a few hours old when the sun begins to set. Barely have we begun to discover what life offers us when we grow too old to enjoy its riches. Time is always abundant yet is always too short. What we often don't realize is that, Time is Eternity. How can we regret an ending that is also a beginning? Time is always there if we leave it enough room. It will work with us and against us. The past is over but for our memories. We must turn around and face the future - the rest of all Eternity - a new Beginning - a new Time.
